

Regarding the issuance (reissuance) of eligibility confirmation letter for health insurance

As of December 2, 2024, new issuance and reissuance of health insurance cards has ended.

Those who have a conventional health insurance card can use it until December 1, 2025 as a transitional measure, but please switch to a My Number health insurance card during the transitional measure period. If you have lost or damaged your conventional health insurance card and are unable to use your My Number health insurance card, we will issue you an "eligibility confirmation letter for health insurance", so please apply for one by following the procedure below.
